Included in this combo:

4WD Bush Safari

This is the ultimate 4WD adventure, the first of its kind in New Zealand. No scoring here, just bravery awards. Pair up in one of our 4WDs and share the driving as you negotiate our challenging trail set amongst beautiful native rain forest.

Conquer your fear as you slowly manoeuvre your 4WD through a variety of challenges including the daunting Luge. Steer your way through the Tunnel, and carefully plan your track while you negotiate the Waterfall.

There are many other exhilarating challenges to face up to during the 4WD Bush Safari. It is an awesome challenge for drivers of all abilities.

You'll be surprised to see how you manage with some of the very cool yet somewhat intimidating tasks that you will come across along the track. Taking part in this 4WD Adventure will surely build your confidence behind the wheel

Sprint Car Racing

Get your 'backside trackside' and experience the thrill of racing high performance Sprint Cars on our concrete circuit that is built to test the best.

These roaring machines are not toys but real, full sized race cars. They are fitted with roll cages and racing belt harnesses with power to slide.

Keep the clock in mind! The fastest lap wins and no matter how funny or crazy, there are no points or prizes for stunts!

Sprint Car racing is very fast, very addictive, yet very safe. Off Road NZ will provide all safety and wet weather equipment. Print outs with your lap time are provided. See if you can beat the record! We wear out at least 4 - 6 tyres per day!

Monster 4x4 Thrill Ride

Hang on tight for a real gravity defying thrill as you are driven over impossible terrain on the big red Monster 4x4 in complete safety.

Climb and descend near vertical slopes and tilt over to unbelievable angles that have every part of your body holding on tight. This vehicle is purpose built with roll cage, seat belt harnesses, front and rear steering, twin air diff locks, huge tyres, and amazing suspension travel.

Unlike the Sprint Cars and the Bush Safari, we can not let you drive the Monster 4x4. But of course you can rely on our funny, professional and fully qualified staff to do all the driving.

Change into some very flattering overalls and put a helmet on. From then on... all you can do is trust your driver who will happily guide you through the dirt and the bush.

The Monster 4x4 takes up to 4 passengers at a time and this is excellent fun for groups of friends and the whole family.

Claybird Shooting x 5

Here is your chance to give it a real blast! Test your skill & accuracy with real shotguns and live ammunition. And remember... no time to muck around because you'll have to shoot at it as soon as we send it flying!

Claybird shooting is great fun and this is definitely not as easy as it looks. There are 5 or 10 clay targets per person, depending on which option you choose, and you can take 2 shots at each clay. What a blast!

Archery x 5

Try something new using our competition bows and arrows. Archery is fun, challenging and exciting and suitable for all sizes, physiques and fitness levels. It incorporates goal-setting, attitude, focus and visualisation.

We'll show you some basic archery skills and shooting styles. Do you think you can hit the bull's-eye? It's a big target but... still hard to hit

Golf Hole-in-One

Here is your chance to show off your golfing skills, have a lot of fun AND maybe even put \$1000 in your pocket!

So you think there is a Tiger Woods or a Michael Campbell hiding in you? Then what are you waiting for? Come to test the green at Off Road NZ. It is surrounded by water and you'll get 5 balls per go.

If you manage to get that difficult but certainly not impossible Hole-in-One, we will be happy to hand you the cash on the spot! It is far from easy but... it has been done before!
