Bay of Islands

Dolphin Adventures
- Swim with the Dolphins

Some say that to swim with dolphins is a life changing experience. With some of the warmest waters in New Zealand, the Bay of Islands is rich in marine life year all year round. This half day tour gives you the opportunity to swim with these incredible creatures in their natural environment (conditions permitting) and cruise the many secluded islands of the Bay.

Our dolphin swimming vessel is equipped with a large boom net, so less confident swimmers will have the chance to enter the water and view the dolphins (boom netting only available on Orca II vessel). Snorkels, masks, fins and wetsuits provided.
