Travel by coach across the Canterbury Plains is about as straight and flat as roads get in New Zealand. On a clear day, the Southern Alps provide outstanding scenery. The town of Rakaia sits on the southern side of the Rakaia River, and it's 'the salmon capital of New Zealand'. The Rakaia bridge spans 1.8 kilometres of one of the world's best examples of a 'braided' river system.

Ashburton, which sits between the Rakaia and Rangitata rivers, is a large town that serves the local rural community. Your trip south is straight and flat. Timaru is a small but beautifully formed city. The historic walk will introduce you to many of the heritage buildings.

The town of Oamaru has a population of around 12,000 and an impressive heritage. Many of the elegant historic buildings were made from the local sandstone. Visit the Harbour-Tyne area - the best-preserved collection of historic commercial buildings in New Zealand. You should also check out the penguin colony, the museum and the pretty public gardens.

Follow into Dunedin - acquired an impressive amount of ostentatious Victorian architecture.

DAY04 Queenstown – Milford Sound – Queenstown

Milford Sound is simply stunning. It is a natural wonder of world fame. In Maori legend, the fiords were created not by rivers of ice, but by Tu Te Raki Whanoa, a godly figure who came wielding a magical adze and uttering incantations. Milford Sound (Piopiotahi) is without doubt his finest sculpture.

Whatever the fiord's mood - teeming with rain or with sun glistening on deep water - it will inspire you. Nowhere else in Fiordland do the mountains stand as tall, straight out of the sea. In the foreground of the fiord stands the legendary Mitre Peak, a remarkable presence dominating the skyline.

The Milford Road (between Te Anau and Milford) travels through some of the world's most impressive alpine scenery. Our experienced drivers love sharing some of the breathtaking highlights and there is plenty of time for photo opportunities.
